Our Services

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to life, pension, investment & mortgage products. A full list of insurers, product producers and lending agencies with whom we deal is available on request. We act as an Independent Broker which means that the principal regulated activities of the firm are provided on the basis of a **fair and personal analysis** of the market.

Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, considering the accessibility of information and product placement to intermediaries and the cost of the search.

To ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider, cost, and any other relevant consideration.

A schedule of our fee is outlined on our website.

We are remunerated by commission for our investment intermediary services.

Insurance based Investment Products

We are remunerated by commission for the advice we provide on our insurance-based investment products.

Life & Pensions & Investments

We provide life assurance, pensions & Investments on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically, about permanent health insurance policies we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

In some cases, we may be granted authority from an insurance undertaking to conduct tasks on their behalf, for which we will be remunerated. Where we place your business with this insurance undertaking under this authority you will be notified in advance of the placement. We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

To ensure continuity of cover, where you have an existing policy which is due to expire and where we have been unable to contact you, we may put continuing cover in force whilst awaiting your instruction. You will be liable for any premiums payable to the relevant insurer for the period of time between renewal and when we receive your instruction. You have the right not to avail of this service.

Mortgages

Through the lenders or other undertakings with which we hold an agency, we can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We provide mortgage advice on a limited analysis (providing services based on a limited number of contracts and product producers available in the market). We provide advice on the following product providers:

- Haven Mortgages
- Bank of Ireland
- Finance Ireland
- Dilosk T/A ICS Mortgages

Sustainability Factors – Investment/IBIPs/Pension Advice

When providing advice, the firm considers the adverse impact of investment decisions on sustainability. As part of our research and assessment of products, the firm will examine the Product Providers literature to compare financial products and to make informed investment decisions about ESG products. The firm will at all times act in the client's best interests and keep clients informed accordingly. The consideration of sustainability risks can impact on the returns of financial products. When assessing products, we will consider the different approach taken by product providers in terms of them integrating sustainability risks into their product offering. This will form part of our analysis for choosing a product provider.

Statement of Charges

We are remunerated by commission and other payments from product producers or lenders on the completion of business. You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees.

A summary of the details of all arrangements for any fee, commission, other reward or remuneration paid or provided to us which have been agreed with product providers is available in our office and on our website (www.careyfp.ie).

In certain circumstances, it may be necessary to charge a fee for services provided.

Mortgages

We may receive up to 1% of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Information on the variation in levels of commission payable by the different institutions providing credit agreements being offered are available on request.

Ongoing Suitability

Investments

Ongoing suitability assessments form part of the service to clients. On an annual basis the firm will issue a client report outlining changes in the services or instruments involved and/or the circumstances of the client.

Insurance based Investment Products

We will provide periodic assessments of the suitability of the insurance-based investment product which we have recommended to you.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy so that we can ensure that you are provided with up-to-date advice and products best suited to your needs. Failure to contact us in relation to changes in your circumstances, may result in you having insufficient insurance cover and/or inappropriate investments.

Disclosure of Information

Any failure to disclose material information may invalidate your claim and render your policy void.

Conflicts of interest

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises, we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request.

Default on payments by clients

We will exercise our legal rights to receive payments due to us from clients (fees and insurance premiums) for services provided. Without limitation to the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Mortgage lenders may seek early repayment of a loan and interest if you default on your repayments. Your home is at risk if you do not maintain your agreed repayments.

Complaints

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made in writing. We will acknowledge your complaint in writing within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO). A full copy of our complaint's procedure is available on request.

Data Protection

We are subject to the requirements of the General Data Protection Regulation 2018 and the Irish Data Protection Act 2018.

We are committed to protecting and respecting your privacy. We wish to be transparent on how we process your data and show you that we are accountable with the GDPR in relation to not only processing your data but ensuring you understand your rights as a client.

The data will be processed only in ways compatible with the purposes for which it was given and as outlined in our Data Privacy Notice, this will be given to all our clients at the time of data collection.

Investor Compensation Scheme

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd. The Investor Compensation Act, 1998 provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act. The Investor Compensation Company Ltd. (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme. Compensation may be payable where money or investment instruments owed or belonging to clients and held, administered or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so.

A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client's loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client's loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.

For further information, contact the Investor Compensation Company Ltd. at (01) 224 4955.

Brokers Ireland Compensation Fund

We are also members of the Brokers Ireland Compensation Fund. Subject to the rules of the scheme the liability of its members firms up to a maximum of €100,000 per client (or €250,000 in aggregate) may be discharged by the fund on its behalf if the member firm is unable to do so, where the above detailed Investor Compensation Scheme has failed to adequately compensate any client of the member.
